Dear Nada,

It was a pleasure meeting you today and I look very much forward to working together.

To summarise the outcome of our meeting:

- With regards to the 2013-2014 project, as agreed, UNFPA will be submitting the final narrative report and the financial report of the 2013-2014 project as of end of January 2015, in line with the no cost extension received. Also, as agreed, some project expenses will continue to be disbursed and recorded during the month of December and possibly beginning of January, with the understanding that all project expenses will be recorded as of end of January 2015.

- With regards to the 2014-2016 project, we will be sharing with you, on Sunday, figures related to the disbursements

from UNFPA to UNICEF and UN Women made so far and approximate, informal, figure indicating disbursements of the three UN Agencies. We will also share the amount we wish to request to the Royal Norwegian Embassy as next instalment, for each one of the three Organizations.

I thank you again for the very fruitful meeting and look forward to the next one.

With Best Regards,
Fabrizia
