WHEREAS, UNICEF and UNFPA, Participating United Nations Organizations that have signed a Memorandum of Understanding (hereinafter referred to collectively as the "Participating UN Organizations") have developed a **second phase of the Joint Programme on Female Genital Mutilation/Cutting** (hereinafter referred to as "the Programme") starting in January 2014 and ending 31 December 2017, as may be amended from time to time, as more fully described in the Joint Programme Document "**Abandonment of Female Genital Mutilation/Cutting: Accelerating change**" dated January 2014 (hereinafter referred to as the Joint Programme Document¹), a copy of which is attached hereto as **ANNEX A**, and have agreed to establish a coordination mechanism (hereinafter referred to as the "Steering Committee")² to facilitate the effective and efficient collaboration between the Participating UN Organizations for the implementation of the Joint Programme;

WHEREAS, the Participating UN Organizations have agreed that they should adopt a coordinated approach to collaboration with donors who wish to support the implementation of the Programme and have developed a Joint Programme Document to use as the basis for mobilising resources for the Programme, and have further agreed that they should offer donors the opportunity to contribute to the Programme and receive reports on the Programme through a single channel; and

WHEREAS, the Participating UN Organizations have appointed the **United Nations Populations Fund (UNFPA)** (hereinafter referred to as the "Administrative Agent") (which is also a Participating UN Organisation in connection with Programme) in a Memorandum of Understanding (hereinafter referred to as "MoU") concluded between, the Administrative Agent and Participating UN Organizations on 5 December 2013, to serve as their

¹ The Joint Programme Document contains at a minimum a common work plan, a budget, the coordination and management mechanism and signature of all participants. In the case of MDTF, the TOR will be used as base document for the establishment of the Fund.

² The Steering Committee (SC) is co-Chaired by the Government and the UN Resident Coordinator (RC) or the Deputy Special Representative of the Secretary General (DSRSG). Members include the UN and government representatives and may also include donors. The decision on the inclusion of donors will be taken at the country level. Steering Committee composition will ensure the principles of national ownership, inclusiveness and balanced representation, as well as the need to have a manageable size for decision-making effectiveness. For Joint Programmes the Steering Committee will include all signatories of the MOU.

administrative interface between donors and the Participating UN Organizations for these purposes. To that end the Administrative Agent has established a separate ledger account under its financial regulations and rules for the receipt and administration of the funds received from donors who wish to provide financial support to the Programme through the Administrative Agent (hereinafter referred to as the "Programme Account"); and

WHEREAS, the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH (hereinafter referred to as the "GIZ") wishes to provide financial support to the Joint Programme on the basis of the Joint Programme Document and wishes to do so through the Administrative Agent as proposed by the Participating UN Organizations.

NOW, THEREFORE, the GIZ and the Administrative Agent (hereinafter referred to collectively as the "Participants") hereby decide as follows:

Section I

and the Programme Account

1. GIZ decides to make a four hundred fifty thousand euros (**450.000,00 EURO**) and such further amounts as it may decide (hereinafter referred to as the "Contribution") to support the Programme. The Contribution will enable the Participating UN Organizations to support the Programme in accordance with the Joint Programme Document, as amended from time to time in writing by the Steering Committee. GIZ authorizes the Administrative Agent to use the Contribution for the purposes of the Programme and in accordance with this Standard Administrative Arrangement (hereinafter referred to as "Arrangement"). GIZ acknowledges that the Contribution will be co-mingled with other contributions to the Programme Account and that it will not be separately identified or administered.

2. GIZ will deposit the Contribution by wire transfer, in accordance with the schedule of payments set out in ANNEX B to this Arrangement, in convertible currencies of unrestricted use, to the following account:

Account Number: 301018805654EUR

IBAN Number: BE42301018805654

3. When making a transfer to the Administrative Agent, GIZ will notify the Administrative Agent's Treasury Operations at revenue@unfpa.org, cc rmb@unfpa.org of the following: (a) the amount transferred, (b) the value date of the transfer; and (c) that the transfer is from GIZ in respect of the Joint Programme pursuant to this Arrangement. 4. This contribution is made available for the period of 10.11.2014 to 31.05.2015 and for the purposes of activities as specified in the Joint Programme Document (Annex A).

5. All financial accounts and statements will be expressed in United States dollars.

6. The US dollar value of a contribution-payment, if made in currencies other than United States dollars, will be determined by applying the United Nations operational rate of exchange in effect on the date of receipt of the Contribution. The Administrative Agent will not absorb gains or losses on currency exchanges. Such amounts will increase or decrease the funds available for disbursements to Participating UN Organizations.

7. The Programme Account will be administered by the Administrative Agent in accordance with the regulations, rules, directives and procedures applicable to it, including those relating to interest. The Programme Account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Administrative Agent.

8. The Administrative Agent will be entitled to allocate an administrative fee of one percent (1%) of the Contribution by GIZ, to cover the Administrative Agent's costs of performing the Administrative Agent's functions.

9. The Steering Committee may request any of the Participating UN Organizations, to perform additional tasks in support of the Programme not related to the Administrative Agent functions detailed in Section I, Paragraph 2 of the Memorandum of Understanding and subject to the availability of funds. In this case, costs for such tasks will be decided in advance and with the approval of the Steering Committee be charged to the Programme as direct costs.

Section II

and a Separate Ledger Account

1. The Administrative Agent will make disbursements from the Programme Account in accordance with instructions from the Steering Committee, in line with the approved Joint Programme Document³, as amended in writing from time to time by the Steering Committee. The disbursement to the Participating UN Organizations will consist of direct and indirect costs as set out in the Programme budget.

2. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it from the Programme Account. Each Participating UN Organization assumes full programmatic and financial accountability for the funds disbursed to them by the Administrative Agent. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, directives and procedures, including those relating to interest. That separate ledger account will be subject exclusively to the internal and external auditing procedures laid down in the financial regulations, rules, directives and procedures applicable to the Participating UN Organization.

3. Where the balance in the Programme Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Steering Committee and make a disbursement, if any, in accordance with the Steering Committee's instructions.

Section III
Implementation of the Programme

1. The implementation of the programmatic activities which GIZ assists in financing under this Arrangement will be the responsibility of the Participating UN Organizations and will be carried out by each Participating UN Organization in accordance with its own applicable regulations, rules, policies and procedures including relating to procurement. GIZ will not be directly responsible or liable for the activities of any person employed by the Participating UN Organizations or the Administrative Agent as a result of this Arrangement,

³ As used in this document, an approved programmatic document refers to an annual work plan or a programme/project document, etc., which is approved by the Steering Committee for fund allocation purposes.

2. Accordingly, personnel will be engaged and administered, equipment, supplies and services purchased, and contracts entered into in accordance with the provisions of such regulations, rules, directives and procedures.

3. Indirect costs of the Participating UN Organizations recovered through programme support costs will be 7%. 6. The Participating UN Organizations will commence and continue to conduct operations for the Programme activities only upon receipt of disbursements as instructed by the Steering Committee.

5. The Participating UN Organizations will not make any commitments above the budgeted amounts in approved Joint Programme Document, as amended from time to time by the Steering Committee.

6. If unforeseen expenditures arise, the Steering Committee will submit, through the Administrative Agent, a supplementary budget to GIZ showing the further financing that will be necessary. If no such further financing is available, the activities to be carried out under the approved Joint Programme Document may be reduced or, if necessary, terminated by the Participating UN Organizations. In no event will the Participating UN Organizations assume any liability in excess of the funds transferred from the Programme Account.

7. GIZ reserves the right to discontinue future contributions if reporting obligations are not met as set forth in this Arrangement; or if there are substantial deviations from agreed plans and budgets. If it is agreed among GIZ, the Administrative Agent and the concerned Participating UN Organization under the Arrangement that there is evidence of improper use of funds, the Participating UN Organization will use their best efforts, consistent with their regulations, rules, policies and procedures to recover any funds misused. The Participating UN Organization will, in consultation with the Steering Committee and the Administrative Agent, credit any funds so recovered to the Programme Account or agree with the Steering Committee to use these funds for a purpose mutually agreed upon. Before withholding future contributions or requesting recovery of funds and credit to the Programme Account, the Administrative Agent, the concerned Participating UN Organization and GIZ will consult with a view to promptly resolving the matter.

8. The Participants recognize that it is important to take all necessary precautions to avoid corrupt, fraudulent, collusive or coercive practices. To this end, as set out in the MoU between the Administrative Agent and Participating UN Organizations regarding the Operational Aspects of the Joint Programme, each Participating UN Organization will maintain standards of conduct that govern the performance of its staff, including the prohibition of corrupt, fraudulent, collusive or coercive practices in connection with the award and administration of contracts, grants, or other benefits, as set forth in their Staff Regulations and Rules and the Financial Regulations and Rules, including regarding procurement.

Section IV **Equipment and Supplies**

On the termination or expiration of this Arrangement, the matter of ownership of equipment and supplies will be determined in accordance with the regulations, rules, directives and procedures applicable to such Participating UN Organization.
