

Project Name: United Nations Joint Programme - Laws Policies and Sector to end Female Genital Mutilation.

Project Number: 204768-103/40122604

1. I refer to the Memorandum of Understanding between the Government of the United Kingdom of Great Britain and Northern Ireland acting through the Department for International Development (“DFID”) and the United Nations Population Fund (UNFPA) signed on 23 January 2020, and to the Amendment No.1 2020, signed on 10 December 2020.
2. When the Foreign, Commonwealth & Development Office (“FCDO”) was established on 2 September 2020 the awarding body of the Memorandum of Understanding referenced above automatically transferred from DFID to FCDO. The FCDO therefore proposes to delete all references to “Department for International Development” and “DFID” in the original Memorandum of Understanding and all subsequent amendments, and replace them with “Foreign, Commonwealth & Development Office” and “FCDO”.
3. Following recent correspondence, FCDO proposes to change the end date of the Memorandum of Understanding.
4. I propose that the end date of 30 June 2021 in paragraph 4 of amendment No1 of the Memorandum of Understanding be deleted and replaced with **31 December 2021**.
5. Also following recent discussions FCDO proposes to decrease the amount made available to UNFPA by **£700,000**, seven hundred thousand pounds.
6. I propose that the figures and words **£2,500,000** two million, five hundred thousand pounds in the original MoU, be deleted and replaced with the figures and words **£1,800,000** one million, eight hundred thousand pounds. AND an amendment to Annex B of the schedule of payments for the remaining disbursement of payment to:

£300,000 by 30/6/21
7. This letter of amendment will place on record our common understanding of the above changes and will come into operation on the date you sign your confirmation below. This note will be known as Amendment No. 2 2021.
8. Please sign both copies of this letter; return one to me and retain the other for your own records.
