

EXECUTIVE BOARD DECISION TRACKING TABLE FOR 2025

The following matrix keeps track of the implementation of specific and time-bound requests to UNFPA contained in Executive Board decisions. The decision-tracking matrix is revised on a regular basis to keep the information relevant and up-to-date.

The full text of the Decisions per Executive Board sessions is available by clicking on the decision. The full compendium of Decisions adopted by the Executive Board in 2025 can be found on the [UNFPA Executive Board Website](#).

The status of a decision is indicated as follows: **(1) GREEN** ● signifies (a) ‘completed’ (action has been completed or decision is no longer relevant) or (b) ‘ongoing’ (action in progress, if a recurring item); **(2) YELLOW** ● signifies an action is ‘partially completed’ (action in progress, with a due date, if relevant).

First regular session 2025						
2025/1 Reports of the UNDP, UNCDF, UNFPA and UNOPS on the implementation of the recommendations of the Board of Auditors, 2023			1. Notes the unqualified audit opinions on UNDP, the United Nations Capital Development Fund (UNCDF), UNFPA and UNOPS issued by the United Nations Board of Auditors for 2023;			No actions required
			2. Acknowledges the progress made and supports the ongoing efforts of UNDP, UNCDF, UNFPA and UNOPS to implement the recommendations of the Board of Auditors;			No actions required
			3. Notes the progress made by UNDP, UNCDF, UNFPA and UNOPS in closing open audit recommendations;			No actions required
			4. Calls on UNDP, UNCDF, UNFPA and UNOPS to take into consideration relevant recommendations of the Board of Auditors in their strategic planning for 2026–2029;			No actions required
			5. Recalls its decision 2024/1 and encourages UNDP, UNCDF, UNFPA, and UNOPS to include a statement of internal controls in their financial reports;			No actions required
	Recommendations of the Board of Auditors	Executive Board Branch/OED	6. Requests that, in future informal consultations on the reports of the Board of Auditors, a representative from the Board of Auditors be present and available for questions from the Executive Board;	On-going	While in the past UNFPA already ensured that, when possible, a representative from the Board of Auditors attended informal consultations on the reports of the Board of Auditors, in the future, UNFPA will ensure full compliance with this decision.	Completed and on-going ●
			<i>With regard to UNDP:</i> 7. Requests UNDP to ensure that recommendations regarding improvements in (a) readability and comparability in budget and financial reporting, including consistency in annual and four-year budgets; and (b) the management and monitoring of its field presence inform the preparations for the strategic plan period 2026–2029;			No actions required

	Recommendations of the Board of Auditors	Humanitarian Response Division	<p><i>With regard to UNFPA:</i></p> <p>8. Requests UNFPA to (a) strengthen its Humanitarian Response Division and enhance implementation of the humanitarian supply strategy, fast-track procedures for risk mitigation and emergency preparedness; and (b) continue to strengthen supply chain management and Quantum implementation, in line with the recommendations;</p>	On-going	<p>The joint work plan implementation for UNFPA's Humanitarian Supply Strategy (HSS) is underway, and workplan activities are progressing in line with the implementation plan. As 2025 marks its concluding year, HRD will establish a structure for the final report of the HSS.</p> <p>The fast-track procedures have been archived following the adoption of the new UNFPA Policies and Procedures for Emergency Response (EPPs), effective 1 March 2025. The EPPs establish a structured and time-bound process for emergency classification and activation, incorporating risk assessment as a core element. The EPPs embed a risk-informed, "no regrets" approach aligned with UNFPA's Enterprise Risk Management (ERM) framework.</p> <p>UNFPA is in the process of finalizing the revised guidance for the Minimum Preparedness Actions (MPAs) which will introduce a structured process for categorizing risk levels (low, medium, high) based on likelihood and impact, and link each level to appropriate preparedness measures. All country offices are required to implement MPAs as a baseline to enhance CO response and preparedness capacity. For contexts assessed as high risk, Advanced Preparedness Actions (APAs) and contingency planning are recommended, ensuring risk-informed preparedness in line with IASC guidance.</p>	Completed and on-going

					<p>The Supply Chain Management Unit (SCMU) has completed its realignment, designed to strengthen the following key areas: (i) demand and supply elements of family planning, (ii) logistics management, (iii) product quality assurance, (iv) risk management, and (v) communications. This strategic enhancement is designed to ensure that life-saving reproductive health products reach those in need more effectively and efficiently.</p> <p>In 2024, the Supply Chain Management Unit successfully developed a new SCMU strategy (2024-2029) which enables SCMU to play a critical role as a fit-for-purpose unit leading up to the next strategic plan (2026-2029) and achieve enhanced humanitarian supplies intervention through contingency planning, global and regional pre-positioning, and supply chain resilience in disaster-prone areas; an updated Last Mile Assurance (LMA) process to reflect evolving business processes, with a focus on developing and monitoring annual work plans and risk assessments that will feed into systems strengthening initiatives. Additionally, the strategy also aims at building financial sustainability for SCMU by benchmarking costing strategies, analyzing costs and identifying areas for improvement so that SCMU can optimize financial resources, ensuring the long-term viability and impact of SCMU to serve UNFPA and the SRH ecosystem.</p>

					SCMU is also developing and rolling out the new Shipment Tracker module (Quantum Plus) to manage inventory movements and provide reporting functionality. It will be followed by a comprehensive inventory management module in 2025, covering end-to-end processes from planning to last mile assurance.	
			<i>With regard to UNOPS:</i>			No actions required
			9. Notes with concern the findings in the 2023 Board of Auditors report (A/79/5/Add.1) regarding financial derivative transactions, specifically that UNOPS had not acted according to its hedging strategy, took unnecessary risks in their investments, and had not put in place an adequate system of internal control;			No actions required
			10. Urges UNOPS to promptly address these findings, and requests UNOPS to provide an update on the implementation efforts at the second regular session 2025;			No actions required
			11. Requests UNOPS to continuously ensure prudent application of procurement policies and procedures and to ensure adequate training of personnel involved in procurement activities at all levels.			No actions required
2025/2 Update on the assessment of how the Executive Board executes its governance and oversight functions			1. Notes the consultative process undertaken to establish a working group and develop the terms of reference for the operationalization of the working group on the Joint Inspection Unit report on the “Review of governance and oversight of the Executive Boards of UNDP/UNFPA/UNOPS, the United Nations Children’s Fund (UNICEF) and the United Nations Entity for Gender Equality and the Empowerment of Women (UN-Women)” (JIU/REP/2023/7), and adopts the terms of reference;			No actions required
			2. Acknowledges the process undertaken by the Bureau, in coordination with the bureaux of the Executive Boards of UNICEF and UN-Women, to identify members of the working group, and welcomes their subsequent nomination, in accordance with decision 2024/12, paragraph 16;			No actions required
		Executive Board Branch	3. Recalls decision 2024/12, paragraph 8, to include an item for decision on the progress of the consideration of the Joint Inspection Unit report on the agendas of every formal session, until decided otherwise, and reiterates its request to the working group to provide regular updates to the participating Boards, as necessary.	On-going	An agenda item for decision on the progress of the consideration of the Joint Inspection Unit will remain on the Executive Board workplan until decided otherwise.	Completed and on-going

Annual session 2025						
2025/8 Update on implementation efforts on the repositioning of the United Nations development system			1. <i>Welcomes</i> the updates provided by UNDP, UNFPA and UNOPS on the implementation of General Assembly resolution 72/279 and related mandates concerning the repositioning of the United Nations development system, in the context of the quadrennial comprehensive policy review of operational activities for development of the United Nations system, and encourages further inter-agency harmonization of the updates, particularly on results achieved;			No actions required
			2. <i>Welcomes</i> the progress made by UNDP, UNFPA and UNOPS in implementing the United Nations development system checklist, submitted with their respective updates, and requests that remaining areas of uneven progress be addressed;			No actions required
			3. <i>Recalls</i> decision 2024/8 and reaffirms its strong commitment to the United Nations development system reform;			No actions required
			4. <i>Requests</i> UNDP, UNFPA and UNOPS to contribute to and cooperate with the United Nations country team configuration exercises, including in the implementation of their outcomes, to ensure that their presence at the country level is tailored to meet the specific challenges, priorities and needs of programme countries;	On-going	UNFPA remains fully committed to contributing to and cooperating with the UNCT configuration exercises. In parallel, UNFPA is actively engaged in the ongoing revision of the Management and Accountability Framework (MAF) to help address challenges related to UNCT configuration, especially in countries where UNFPA does not lead or co-lead CF outcome areas, or where it has limited access to influence key mandate areas.	Completed and on-going 
			5. <i>Requests</i> UNDP, UNFPA and UNOPS to intensify their efforts to contribute to system-wide and interagency efficiencies, including by expanding the use of global shared services, common back offices and common premises, prioritizing the most cost-effective and resource-efficient efforts;	On-going	UNFPA continues to lead in operational transformation. As co-chair of the UNSDG Business Innovation Group (BIG), UNFPA is driving a system-wide shift toward scaled collaboration and shared services. In 2024 alone, UNFPA generated \$14.7 million in operational efficiencies. As one of the UN's most engaged service recipients, UNFPA is leading by example as it outsources four of the five global priority shared services and is eagerly awaiting the creation of additional services to	Completed and on-going

					<p>has been extended to ensure continuity and allow for a handover period with the incoming Director. UNFPA strategically filled the two vacant advisor positions within the IEO with candidates who have extensive evaluation experience within UNFPA, leveraging their institutional knowledge. The institutional budget for 2026 has been reflected in the new proposed Integrated Budget, covering all 10 staff positions. This ensures that the IEO is fully resourced to continue performing at the same high level as prior to the relocation.</p> <p>Looking ahead, the IEO is committed to enhancing its efficiency. IEO is piloting the use of artificial intelligence (AI) for evaluation quality assessment, exploring new evaluation management modalities, and consolidating new planning and budgeting systems to prioritize the most strategic centralized and decentralized evaluations. The IEO is also considering new formats for evaluation reports to improve timeliness, accessibility and utility.</p>	
			6. <i>Encourages</i> UNFPA to continue strengthening the capacity of the decentralized evaluation function and humanitarian evaluations;			No actions required
			7. <i>Expresses</i> its continuing support for the evaluation function and reiterates the importance of its full independence, adequate resourcing (in line with the key performance indicator on financial resources), staffing, and direct access to the Executive Board.			No actions required

			include certain terms that have not been intergovernmentally endorsed in the United Nations system			
			5. <i>Requests</i> UNFPA to implement its Strategic Plan and annexes in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Declaration and Platform for Action, while remaining consistent with relevant international rules and commitments, and in conformity with universally recognized international human rights;	On-going until 2029	UNFPA has started implementation of the 2026-2029 Strategic Plan. In implementing the Strategic Plan, UNFPA remains committed to work in accordance with the ICPD Programme of Action, remaining consistent with international rules and commitments, and in conformity with universally recognized international human rights. UNFPA will ensure that all country programmes are implemented in accordance with this decision.	In Progress 
			6. <i>Acknowledges</i> that national ownership is a core principle guiding all UNFPA programmes, and requests that, in every country, the work of UNFPA be aligned with national priorities and needs, taking into account national legislation and context;	On-going until 2029	The principle of national ownership is at the core of UNFPA Country Programmes. UNFPA remains fully committed to ensuring that this principle is fully adhered to. In line with this, UNFPA is in the process of updating its country programme development guidance, which will further ensure that all country programmes are implemented in line with national priorities and needs, taking into account national legislation and context.	In Progress 
			7. <i>Requests</i> UNFPA to continue to include, in the annual reports of the Executive Director on the implementation of the Strategic Plan, 2026-2029, including its midterm review, information on results jointly achieved with United Nations development system entities, identified through common and complementary indicators.	On-going until 2029	UNFPA will continue to include joint results through implementation of the 2026-2029 Strategic Plan.	In Progress 
2025/28 UNFPA integrated budget, 2026-2029			1. <i>Takes note</i> of the UNFPA integrated budget, 2026-2029 (DP/FPA/2025/10), and its annexes, including the related results and resources framework;			No actions required
