

TransformU Commitments

The Educational Institution, represented by First Name Last Name, Title, as a TransformU member,

Commits to deeply engage with the TransformU network, creating and fostering innovative ways to promote collaboration and cooperation among its members, through the development of new opportunities to exchange knowledge and best practices

Pledges to promote and protect women's and adolescents' sexual and reproductive health and rights at the national, regional and global levels by actively engaging the academic community (i.e. students, researchers, academics and scientists) in generating the knowledge, analysis and expertise needed

Commits to support and contribute to the realization of UNFPA's three transformative results: *zero maternal deaths, zero unmet need for family planning and zero gender based violence, including child marriage and other harmful practices*, through research, knowledge generation and dissemination, policy guidance, capacity building, leadership development, and other activities

Voices determination to strive for accelerating the implementation of the International Conference on Population and Development (ICPD) Programme of Action and Agenda 2030 for Sustainable Development, in order to stand up for reproductive rights and choices for all, leaving no one behind
